## Close Friends

“A friend loves at all times, and a brother is born for adversity” (Proverbs 17:17). If we understand the importance of needing a friend, it will help us to be a better friend to others. Sometimes a kind word or deed from a friend helps us keep going when we feel like giving up. A wise man once said, “A person is rich if he has one true friend.” It is easy to have a host of friends to laugh with us, but a

friend who will stand by us in adversity is not so easy to find. Proverbs 18:24 says, “A man of too many friends comes to ruin, but there is a friend who sticks closer than a brother.”

Jesus told His followers they were His friends. He said to them, “You are my friends if you do what I command you” (John 15:14). How wonderful it must have been for the early disciples to hear Jesus refer to them as His friends. Jesus is never so busy that He does not have time to listen to our challenges, and after He listens to us, He has the power to help us with our needs. He is the friend who is closer than a brother. He is the friend that will never let you down.
