Stress

We are all too familiar with the concept of stress. Different seasons of our life become more stressful than others. Going through school/college present certain kinds of stress. Looking for and keeping a job sometimes presents its own types of stress. Having children and keeping your family going day in and day out presents stresses in our lives. We have stresses in life due to finances, relationships, time, hobbies, past times, and many other areas.

How do you handle that stress? That is

the key question, because stress will come. Philippians 4:6-7 says, "Be anxious for nothing, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all comprehension, will guard your hearts and your minds in Christ Jesus." Anxious is defined as, "experiencing worry, unease, or nervousness, typically about an imminent event or something with an uncertain outcome." Jesus also warned us against worrying (Matthew 6:25-34).

When you feel most stressed, when you feel little stress...in EVERY situation present your requests to God. Many times we remember to do this but at times (and maybe in the most important times) we may forget. Bring it ALL before the Lord and the peace of God will guard our hearts and minds. Then we can truly have rest... and a lot less stress.
